

# STUDENT LEADERSHIP INSTITUTE

## Regional Conferences

### what?

Student Leadership Institute (SLi) exists to assist young people in the development of their leadership philosophy and skills by exposing them to a biblically-based, multifaceted, year-long program. SLi is a process, not a single event, and each component can fit into your regular school or church schedule. If you are passionate about raising up the next generation of Christian young people, this conference is for you. *You will walk away with a specific plan of action.* For a more complete picture of SLi, the guiding principles and how it works, please visit [www.StudentLeadershipInstitute.org](http://www.StudentLeadershipInstitute.org).

You will learn how to make Student Leadership Institute a reality at your school or church during one of our dynamic two-day conferences. You will leave the conference equipped with the knowledge and materials you need to make it happen.
