What is Kingdom School Institute (KSi)?

KSi is a unique training program designed to assist schools in adopting a strategic, intentional and holistic plan that directly impacts the culture of their community. Schools will learn about a proven training paradigm and educational model that prepares students to:

- Enter the world thinking Christianly (2 Cor. 10:5)
- Persuade nonbelievers to follow Christ (Acts 17)
- Reason with other worldviews (Acts 17)
- Think, write and speak critically and intelligently

We hope that you can join us! The friendships we have developed over the years are indeed invigorating as we fulfill God's call to serve in Christian schools. We will continue to share ideas and pursue excellence as we partner together in Kingdom education.
